

tesseract_collision
::ConvexDecomposition

```
graph BT; A[tesseract_collision::ConvexDecompositionHACD] --> B[tesseract_collision::ConvexDecomposition];
```

A diagram illustrating a class hierarchy. At the bottom is a gray-shaded box containing the text 'tesseract_collision::ConvexDecompositionHACD'. A blue arrow points vertically upwards from this box to a white box above it. The white box contains the text 'tesseract_collision::ConvexDecomposition'.
