

```
tesseract_common::TypeErasure  
Base< ConceptInterface, ConceptInstance >
```

A diagram illustrating inheritance. A blue arrow points from the 'tesseract_common::Any' box below to the 'tesseract_common::TypeErasure' box above. The 'TypeErasure' box is shaded gray and contains the text 'tesseract_common::TypeErasure' and 'Base< ConceptInterface, ConceptInstance >'. The 'Any' box is white and contains the text 'tesseract_common::Any'.

```
tesseract_common::Any
```
