

tesseract\_common::TestPluginBase

```
classDiagram
    class TestPluginBase["tesseract_common::TestPluginBase"]
    class TestPlugin["tesseract_common::TestPlugin"]
    TestPlugin --|> TestPluginBase
```

The diagram illustrates a class hierarchy. At the top is a gray-shaded box representing the base class, `tesseract_common::TestPluginBase`. Below it is a white box representing the derived class, `tesseract_common::TestPlugin`, which includes the method `Multiply`. A solid blue arrow points from the top of the `TestPlugin` box to the bottom of the `TestPluginBase` box, indicating that `TestPlugin` inherits from `TestPluginBase`.
