

tesseract_collision
::VHACD::RaycastMesh

```
graph BT; A["tesseract_collision::RAYCAST_MESH::MyRaycastMesh"] --> B["tesseract_collision::VHACD::RaycastMesh"]
```

The diagram illustrates an inheritance relationship between two classes. At the bottom is a gray box representing the base class, and at the top is a white box representing the derived class. A blue arrow points from the base class to the derived class, indicating that the derived class inherits from the base class.
